FURNISKY

From the ancient map of Anatolia to the homes of today.

Furnisky is a furniture brand of Özakçe Uluslararası Ticaret A.Ş. Our collections of bedrooms, youth rooms, living room seating, dining rooms, coffee stations, wardrobes and hall stands are made to high quality standards in the modern facilities of our experienced manufacturing partners.

Each collection takes its name from the ancient cities, rivers, regions, mountains, lakes and coasts of a land that has been home to people for thousands of years. Every name brings the story of a place into your home.

Alongside our retail and marketplace sales across Türkiye, we offer wholesale and export solutions to business partners abroad. In this catalogue you will find the dimensions, part codes and colour options of every collection.

For many years of enjoyment

A few simple habits keep surfaces and fittings looking as good as on the first day.

Cleaning	Wipe surfaces with a soft, damp cloth and dry them. Do not use abrasive, solvent-based or scratching cleaners.
Upholstery	Vacuum the fabric regularly and turn the cushions from time to time. Blot stains with a damp cloth — do not rub.
Sun and heat	Keep furniture away from direct sunlight and heat sources such as radiators and stoves, so surfaces and colours last longer.
Assembly	Case furniture is delivered flat-packed and requires assembly. Follow the instructions supplied with the product.
Safety	Fix tall wardrobes, coffee stations and hall stands to the wall to prevent tipping.
Planning	Before ordering, measure the ceiling height, the wall width and the space needed to open the doors.
Colour	Colours and textures may look different on screen and in print. Please request a sample for your final choice.
